BENEFITS

HR

A CENTRAL INTEGRATED SOLUTION – *designed for the* – COMPLEX NEEDS OF THE PUBLIC SECTOR

NEOGOV's Human Resource Information System (HRIS) is your central hub for employee records, salary, benefit administration, and workforce data. With one integrated system for Core HR, payroll, and time and attendance, NEOGOV's HRIS system makes it easy to manage and track human resources data while achieving compliance.

Designed with the public sector in mind, NEOGOV's HRIS automates approval workflows, streamlines HR processes, and minimizes repetitive administration tasks. Highly configurable and intuitive, HRIS lets HR shift their focus to higher value projects. The platform provides visibility across the agency and self-service access so employees can view pay stubs, update contact information, request time-off, change tax elections, and more, while automatically triggering any necessary approvals.

INVEST IN AUTOMATION

NEOGOV's HRIS not only allows HR to spend more time on new initiatives for their employees, but also benefits the organization with a cost saving per employee.

According to Bersin by Deloitte, companies that utilize automated HR systems save an average of 22% per employee.

IMPLEMENTATION

The logo consists of the letters 'HR' in white, bold, sans-serif font, centered within a purple square.

DISCOVERY

5 Weeks

KICK-OFF Discovery sets the stage for the implementation by scoping the work needed, creating the timeline, and establishing expectations. Project resources are also assigned, including staff assignments and project management materials. Discovery for all purchased products happens at the same time.

PHASES 1 & 2 CONFIGURATION

6-8 Weeks

SCOPE Meet with Implementation Consultant (IC) Team weekly to fill out the employee data workbook, discuss and answer questions regarding your configuration, make decisions about how your software will work, and return any deliverables assigned to you.

TRAINING Customers start learning the HRIS system through a combination of self-paced training modules, demonstrations from the Implementation Consultant and practicing in a training environment.

CONFIGURATION The main elements and administrative settings of the HRIS platform are configured together by the customer and Implementation Consultant.

PHASES 3 & 4 TRAINING & PRODUCTION

8 - 20 Weeks

TEST & TRAIN During the train & testing phase of your implementation the team will begin to train you on how to use the system, test and validate your data, and make adjustments as identified. Once this is complete you will sign off on the training environment.

PARALLEL Once training, testing, and validation of your data are complete, we will enter the payroll parallel period. A minimum of 2 parallel cycles is required.

MIGRATION & VERIFICATION Once we have completed your system set-up, testing, and refinements and a test cycle of parallels, it will be time to migrate to the production environment. You will have an opportunity to provide updated employee data and validate your production data as we complete a production level parallel.

SIGN-OFF You will sign off on the production environment and the system will go live. You can now execute your internal rollout plan.

POST-IMPLEMENTATION

1-2 Weeks

Transitional support is set up for the live system. Implementation Consultants conduct 30-day and 60-day check-ins to provide additional assistance.

Represents schedule for a single HRIS product. There are 4 HRIS products. May change based on organization size.
